

# FULL THROTTLE NEWS

*News You Can Use*

October, 2008

Last month brought the Midwestern Council High Speed Autocross season to a close at Autobahn Country Club. Three Full Throttle members wrapped up season championships at the fifth and final event.

Todd Morgan, pictured below, completed a perfect season by winning his fifth event in C Race class in his Lotus. Domination would be the operative word.

Ryan Upham won the last four events in a row, including Autobahn, and by doing so, the first ever MC Street Unlimited championship in his Mitsubishi. The only event he didn't win was the one he didn't compete at. That's Ryan setting off on his winning run below.

After a number of second place season finishes, Edwin Smith took the B Prepared crown with his usual speed and consistency in his familiar silver Mustang.

Congrats to all three of our High Speed Autocross champs, and thanks for carrying the Full Throttle banner to victory!

Please note that nominations are now open for the Midwestern Council annual awards, as well as for officers for the Board of Directors. Feel free to nominate anyone of your choice, but keep in mind Patti Green, who has been invaluable in providing registration services for our events, as well as many others, for one of the awards. To make things even easier, we've included a ballot within this issue.

As far as the Board positions, if you are interested in taking a bigger role in Midwestern Council affairs, feel free to let us know and we'll send you in the right direction. No experience is necessary, just some enthusiasm to get involved.

The Advanced Autosports crew hard at work.

UNTIL NEXT MONTH, REMEMBER, RACING IS SUPPOSED TO BE FUN!
